## COUNTY CHAIRMAN RED CROSS ANNOUNCES ROLL CALL CHAIRMAN HANCOCK

County—November 11, Armistice Day, Date For Beginning Roll Call—Post Master Leo G. Ford County Chairman—Meeting Called For Friday Morning.

Chairman Walter J. Gex of the Hancock Chapter of the American Red Cross announces the appointment of Postmaster Leo G. Ford as Roll Call Chairman.

Mr. Ford is calling a meeting in the interest of the annual Red Cross Roll Call for next Friday morning at 10:30 in the courthouse and all persons interested are urged to attend and signify their intentions of assisting.

The date for the beginning of Roll Call is November 11th, Armistice Day, and the quota to be raised this year is far greater than any other ever requested as the volume of work for the chapter is also so much greater. Despite any statements which may previously have been made, ninety-eight percent of all shipments made by the American Red Cross to European countries for aid in war relief have arrived there safely and been distributed to suffering humanity.

At home, the committees have worked untiringly and alleviated the distress found in the rural sections and material aid has been rendered to the families of service men. Great amounts of discarded clothing has been mended and repaired and distributed to needy persons and a great many children in this way enabled to attend school properly clothed.

The Hancock chapter of the American Red Cross is the one direct means of communication for a service man with his family back home and great assistance has also been rendered in this direction.

It is expected that a large meeting will be the result of this call for volunteer workers in the Roll Call and anyone wishing to assist in any manner may get in touch with Roll Call Chairman Leo Ford.

The resolution seeking increased revenues and, consequently, increased teacher salaries was drafted in the elementary teachers' group meeting. Speakers pointed out that the average teacher salary in this state at present is \$10.23 per week. The Mississippi Education Association seeks an increase which will bring the average to \$12.50 per week.

B. Frank Brown, superintendent of Gulfport city schools, said other sessions in this series have been attended principally by school superintendents and principals, but added the various teacher classifications as well as administrative heads were represented at the Gulfport session.

Former Senator Carl Marshall Was Guest Speaker of Evening—Many Present.

Former Senator Carl Marshall was guest speaker of Bay St. Louis Rotary Club's annual Ladies' Night All Halloween party Thursday of last week, given at Hotel Reed.

President H. Grady Perkins presided and from time to time spoke of Rotary ethics and standards and incidentally on the occasion of so festive an affair, welcoming the guests in his usual happy and finished manner.

Including Rotarians, there were fifty guests. For the occasion the dining room of the Reed Hotel was appropriately decorated with the orange and black colors of Halloween, including the jack of lanterns, witches, brooms and various favors. Jessie Gray was chairman of the affair and how well he succeeded was manifested by the success of the evening. This easily proved one of the delightful affairs yet given by Rotary.

Miss Host Lettissier of Reed Hotel served a turkey supper, up to par in his usual successful manner. The menu was varied and cuisine excellent. The compliments paid him were well deserved.

Mr. Marshall is always a welcome speaker in our midst. Here is one man who is prophet in his country. The first part of his address was given to numerous anecdotes in sequence that put the audience in happy frame of mind. The second portion of his address was not only noted for his eloquence, depth of thought and facility of speech, but for the fact that when he had concluded the guests felt they had heard something to carry away in thought and memory. Mr. Marshall dwelt on the world crisis in a phase of bringing the subject and duty to every American closer home, and brought to a sense of closer understanding, economic endeavor.

## CURRENT ORDERED CUT DOWN

Mississippi Power Company Follows Instruction From Production Management—Affects Bay St. Louis.

"The power limitations embodied in Order L-16 of the Office of Production Management, received by Mississippi Power Company on November 1, are of two types," announced L. P. Sweet, vice president and general manager of the company to the Scho, in commenting on the first night of blackout under the OPM order, which affects Bay St. Louis.

"The first type of curtailment is embraced in a series of prohibited uses, including sign lighting, show window lighting; outline and ornament lighting; outdoor lighting; flood lighting or field lighting for amusements or sports; and interior or exterior lighting for decorative or advertising purposes. These prohibited uses do not include ordinary street or traffic lighting; signal or other lighting required by police, fire, or other public safety departments; or lighting for defense purposes, protection required by defense regulations.

"Under the order, use of electric power for such purposes is prohibited at once.

"The other type of limitation," continued Mr. Sweet, "calls for the assigning of quotas to all customers using in excess of 2500 kilowatt hours per week, excepting such users, classified by the order as exempt, who are engaged exclusively in defense, production or essential civilian services.

"Quotas for rationed customers served by Mississippi Power Company are established in the order at 70 per cent of the normal usage during the 'base billing month,' which is the period of consumption of electric power for which the terminal monthly reading date fell on any day during the period September 15, 1941 to October 14, 1941, inclusive.

"Use of power under these quotas begins on November 10, 1941.

"Limitation of consumption for prohibited uses is therefore in effect from now and will continue until the OPM order is withdrawn, while the general limitation use assignment of quotas will of course until November 10."

Collections by the state tax commission through October were reported \$537,277 higher than those during the entire year of 1940. The figures were listed as \$14,830,601 for the first ten months of 1941 as against \$14,733,324 for all of 1940. The amount last year in the corresponding period was \$11,844,461.

## DELINQUENT TAX PAYMENTS SHOW HIKE AT JACKSON

State Collections in Last 21 Months Total \$1,015,919.

The state tax collector's office reported Saturday at Jackson collection of \$1,015,919 in delinquent taxes and other revenue due the state and its subdivisions during the last 21 months.

Collector Carl N. Craig said the amount was more than double the total collected during the preceding two years.

The state recovered \$22,796 in liquor privilege taxes, his report said. Legally dry, Mississippi nevertheless collects a penalty tax from persons found dealing in intoxicants.

The state derived \$10,210 from this source, the counties \$8810 and municipalities \$8374.

Of the total amount collected, the state obtained \$419,606; while \$430,344 went to the counties, \$30,233 to the levee districts, \$116,323 to municipalities and \$19,351 to drainage districts.

The collectors office operates without an appropriation, retaining 20 per cent of collections, but Craig reported administration of his office cost only \$94,835, or 3.5 per cent, while an additional \$114,175 was paid deputies and attorneys, leaving \$24,340 to the department's balance.

Dormant balances in out-of-state banks credited to local interest and bond funds but long untouched by finance officers of state subdivisions yielded \$52,821 to counties, \$12,285 to municipalities and \$1625 to drainage districts, Craig reported.

Revenue from land sold for taxes provided \$336,416 for counties, \$3006 for the Yazoo Mississippi Delta and \$2745 for the Mississippi levee district, \$2822 for municipalities and \$17,725 for drainage districts.

Other collections were: State—Privilege taxes, \$243,091; insurance premium taxes, \$132,200; forestry protection taxes, \$801; ad valorem taxes, \$2561; revenue improperly withheld, \$4203; board due hospitals, \$1778; and statewide privilege taxes, \$24,757.

County—Ad valorem taxes, \$30,693; revenue improperly withheld, \$2900.

Levee District—Privilege taxes, \$16,274; levee district privilege taxes, \$7614; ad valorem taxes, Yazoo Mississippi Delta district, \$370; ad valorem, Mississippi district, \$279.

Municipal—Privilege taxes, \$53,237; ad valorem taxes, \$3100; revenue improperly withheld, \$23,532; and ad valorem road taxes, \$17,369.

## NAVY Day, Monday, October 27th

was celebrated in Jackson by inducting more than one hundred young men into the United States Navy, in a ceremony held on the steps of the New Capitol in Jackson.

The ceremony was very impressive and was attended by a large number of people including most of the State officials, except Gov. Johnson who was unavoidably absent but was well represented by Mr. W. E. Holcomb, who brought greetings from the Governor, and while congratulating the young men upon joining with 30,000 other Mississippians ready to defend the nation in any emergency, still expressed the hope that the war clouds would clear without military engagements.

The American Legion was in general charge of the meeting, while Lt. Commander W. R. Thomas, U. S. Navy in charge of the New Orleans recruiting area, gave the men the Navy oath in a group.

The Mississippi State Nurses Association is scheduled to hold the annual convention in Jackson, Monday, Tuesday and Wednesday of this week. It is estimated that more than 300 nurses will attend the meeting.

The special theme of the convention will be, "An appreciation of present needs." Julia S. Blue, R. N., of Meridian is president of the association.

Dr. E. Wilson Lyon, 37 years of age, and a native of Heidelberg, Mississippi, is another young Mississippian who has made good in another state. Dr. Lyon, having just assumed his duties as president of Pomona College in California, the youngest man ever to be president of that well known college.

Judge J. F. Guynes holding court in Pike county last week pronounced the death sentence on Sam Porter, 30-year-old negro, and fixed the day of execution in the electric chair as November 28th. It is understood, however, that an appeal will be taken to the Supreme Court.

The W. C. T. U. has just held its annual convention and all officers were re-elected for another year, as follows: Miss Susie Y. Powell, of Jackson, president; Mrs. C. M. Nurry, of Hattiesburg, first vice-president; Mrs. M. C. Conner, of Meridian, as corresponding secretary; Miss Charles Ferguson, of Jackson, recording secretary; Mrs. Chas. A. Neal, of Jackson, as treasurer. The only new official elected was Mrs. Hugh Hopper, of Corinth, as second vice president. The Woman's Christian Temperance Union concerns itself in the main with doing educational work for the temperance cause in the state.

Rev. Raymond Pate, pastor of the Baptist church at Iuka and who has been editor of the Iuka Vidette for the past several months, has given up the paper and Mrs. E. M. Sparks, who became owner of the paper upon the death of her husband several months ago, has sold the plant to Raymond Hamilton, of Orlando, Fla., who has assumed the editorship. The Vidette has been serving the people of that county for more than a half century and will be continued under the same name.

## KEESLER FIELD CADETS ENJOY BAY HALLOWE'EN PARTY

Sponsored by Military Maids Organization; Decorations Unusually Attractive.

The Woodman Hall on last Friday evening was transformed into a spooky, eerie place when the Military Maids entertained the cadets from Keesler Field at a Halloween masquerade dance.

The lights in the hall were shaded by grotesque masks and from the walls hung long balloons. The stage had been made to represent a cane field in which also grew large yellow pumpkins and big black cats with evil looking eyes peered about.

Dancing was enjoyed until a late hour and refreshments were served throughout the evening, and the party was considered one of the liveliest given by the Military Maids for the boys in service.
